

*Information guidelines for visitors to the Attic  
to be given at the time of booking or before starting the visit*

**Shoes:** for safety reasons, it is strongly advised to refuse admission to visitors wearing high-heeled shoes. Visitors are advised to wear close-toed shoes with antislip soles (no slippers, thongs, sandals, clogs, or footwear with leather soles).

**Caution:** pay the utmost attention to the height of ceilings and passageways.

**Heights:**

the tour is not recommended for people suffering from heart conditions or dizziness, and anyone not in a suitable state of health to climb up to and visit the superelevated locations;

visitors are advised to carry cameras, mobile phones, eyeglasses etc. on a shoulder strap or tied to the wrist in order to avoid accidental falls.

**Children:** it is advised to hold children by the hand and make sure they do not elude control at any time.

**Fire:** smoking is prohibited in all the outdoor areas and at lookouts.

**Entrance/exit:** visitors are informed that for safety reasons, stopping in the entrance/exit winding staircase is permitted for the time strictly necessary to deposit or claim umbrellas (other personal effects can not be deposited).

**Depositing personal effects:** visitors carrying backpacks or large bulky bags will not be admitted. Clients are advised that personal effects can not be deposited in the OPA Museum Complex.

Visitors displaying illegitimate, illicit or harmful behaviour or that, in any event, is dangerous for themselves and for the other people present, such as failure
